The American Finance Association (AFA) is the world's oldest academic finance association. It was organized "to provide for the mutual association of persons with an interest in finance; to improve public understanding of financial problems; and to provide for an exchange of ideas through the distribution of a periodical and other media". The AFA publishes the research Journal of Finance six times a year and holds an annual research-conference meeting as part of the Allied Social Science Associations group.

The American Finance Association was organized in 1940. In 1952 we were incorporated in the state of Illinois under the general not-for-profit corporation act. We are a 501-C (3) not-for-profit educational corporation (tax ID 13-6111495).
