Subject : Expert Reviewer Invitation. 2021 AUA and ICSGS Academic Conference
Attachment : ToR

Dear Prof. Dr. Carunia Mulya Firdausy,

Greetings from SSGS, Universitas Indonesia,

After having successfully held four previous conferences, The School of Strategic and Global Studies, Universitas Indonesia (SSGS-UI) and Asian Universities Alliance (AUA) are now conducting a 2021 AUA and ICSGS Academic Conference with the grand theme "**Global Strategies for a Resilient and Sustainable Post Pandemic World towards a Better Future for All**", which is proposed to be held on 26th to 27th October 2021. 2021 AUA and ICSGS Academic Conference aims to accommodate a significant platform for academics and non-academics to share and exchange their scientific research outcomes and bring together the intellectual dialog from the Asian Country perspectives. This conference will bring together various specializations related to 'Strategic Global Studies' and 'Sustainable Development Approaches' that significantly support the comprehensive efforts to accommodate delegates, a sharing platform and enable them to establish research networking.

The conference committee is delighted to invite you as an Expert Reviewer to our conference. The quality of the conference depends to a large degree on the highly qualified reviewers, and we hope you will be one of them. In reviewing the manuscript, we highly appreciate your kind attention to the following concerns:

1. Your scientific review on the direction of the research flow with particular reference to their originality and significance.
2. Your valuable and original feedback on the paper content according to your expertise.
3. As each paper will go through some process of review, we kindly request for your kind cooperation to respond to the review request within 48 hours.

We will be honored to have you as an Expert reviewer in this 2021 AUA and ICSGS Academic Conference. We look forward to hearing from you at your earliest convenience. Kindly let us know your confirmation by filling up the following form <https://Bit.ly/ReviewerConfirmation2021>.

Thank you.

Yours faithfully,
Director of SSGS UI,

Athor Subroto, Ph.D
