

FACULTY OF
ENGINEERING

The 17th International Conference on Quality in Research (QiR)

Resilience and Adaptability for a Post-Pandemic World:
Exploring Technology for Our Green Environment

Certificate

This certification is awarded to Mrs./Mr.

Steven Darmawan, Kevin Raynaldo, Agus Halim

For participating and presenting their research paper with the title of:

Investigation of Thruster Design to Obtain the Optimum Thrust for ROV (Remotely Operated Vehicle) Using CFD

In The 17th International Conference on Quality in Research (QiR)
held on 13th–15th October 2021 at Universitas Indonesia.

Universitas Indonesia
Faculty of Engineering Dean,

Dr. Ir. Hendri D.S. Budiono, M.Eng.

Quality in Research 2021
General Chair

Andyka Kusuma, S.T., M.Sc, Ph.D
