E-Governance Sustainability <egovernancesustainability@gmail.com> to me Thu, Oct 20, 2022, 4:24 PM

Dear Raja Oloan Tumanggor

Universitas Tarumanagara Department of Psychology

I hope you stay healthy and safe!

It has been a while the virtual conference of the International Conference on Sustainability and Technology in Climate Change: Adaptation Action (IC-STCC) 2022. After going through the review process, now we can continue submitting your manuscript to the publisher. We have sent your paper titled "The Study of Ecological Behavior of Youth in High School X in Jakarta" with Manuscript ID 0075 to the IOP publisher. You will be hearing from us soon regarding the status of your paper, we will update it to you once we receive notification from the publisher.

Regarding the publication process, we would like to clarify several matters to you to prevent any inconvenience during the whole publication process:

1. We have edited and proofread your final manuscript by following the IOP guidelines.
2. The publisher will review your manuscript. If necessary, you might receive minor revision about picture quality or bibliography. We will send you the review comments from the publisher if your manuscript needs the minor revision so you can fix it immediately.
3. The publisher has full authority to accept and publish or reject your paper. It is beyond our authorities.

The Conference Day	24th April 2022

IC-STCC 2022 and its affiliated conferences are very grateful for your contribution, and we hope that your participation in this virtual Conference will be rewarding and fun for you.

Sincerely,

Organizing Committee of IC-STCC 2022

CONSENT FORM

Conference Name	INTERNATIONAL CONFERENCE ON SUSTAINABILITY AND TECHNOLOGY IN CLIMATE CHANGE:ADAPTATION ACTION (IC-STCC 2022)
Title of The Article	: The Study of ecological Behavior of youth in High School X in Jakarta
Author(s) Full Name(s)	: Raja Oloan Tumanggor, Slamet Subekti, Agoes Dariyo
Corresponding Author Name	: Raja Oloan Tumanggor

This is a consent form stating that the author has never submitted or published their article in any journal or conference. The author will retain ownership of the contribution's copyright. If the author reproduces the contribution or portions, they will recognize the volume's initial publication. The IOP is solely responsible for publishing all articles submitted to this conference, and the IOP will oversee the whole publication process.

The copyright to the Contribution identified above is transferred to IOP. The copyright transfer covers the sole right to print, publish, distribute and sell throughout the world the said Contribution and parts thereof, including all revisions or versions and future editions thereof and in any medium, such as in its electronic form (offline, online), as well as to translate, print, publish, distribute and sell the Contribution in any foreign languages and throughout the world.

Preparing the presentation, we provide two presentation methods: first, participants can present their research results directly (oral presentation), and second, they can deliver research results in video form.

- a. For participants who choose to use video, there are several main requirements. Namely, the video has a maximum duration of 10 minutes with a maximum video size of 500 mb. It is recorded using a landscape layout, and the voice of the participants must be heard clearly when explaining the results of their research. The author can send the video to the committee no later than April 22, 2022 through this link : <https://bit.ly/3vv6CLx>

☐ Video Presentation

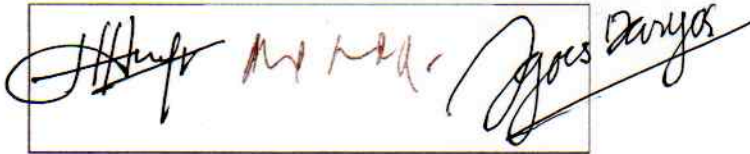

- b. For those who choose an oral presentation, participants must submit their presentation material in the form of PowerPoint to the committee no later than April 22, 2022 through this link : <https://bit.ly/3vv6CLx>

☒ Oral Presentation

All authors should agree that the selected manuscript will be considered for inclusion in the IOP publication process, including editing and changing following the IOP template and having a maximum number of pages.
