

CERTIFICATE

This certificate is proudly presented to :

Dr. Hugeng

For participation as **Panelist** at the IEEE Young Professional
Meet-Up Event on 26th July 2024 in Bali - Indonesia

Dr. Saaveethya Sivakumar

Vice Chair
IEEE Young Professional

IEEE Young Professional Meet-Up Event in conjunction with 10th IEEE ICSCC 2024

Denpasar, 26th July 2024

Panel Discussion: AI Role for Young Professionals

Questions from Moderator to all panellists

1. Could you please introduce yourself?
2. As you know AI has been used in various fields. What are some of the most significant opportunities and challenges AI presents to young professionals entering the workforce today?
3. What ethical considerations should young professionals be aware of when working with or developing AI technologies?
4. How should educational institutions adapt their curricula to better prepare students for a future dominated by AI?
5. Can you share a personal experience where AI significantly impacted your career or the way you work?
6. What advice would you give to young professionals looking to advance their careers in AI-related fields?
7. How is AI transforming specific industries, and what should young professionals in these fields focus on to stay relevant?
8. What final piece of advice would you offer to young professionals about navigating their careers in an AI-driven world?

Event Details

Event Title	IEEE Young Professionals Meet-Up in conjunction with ICSCC 2024
Funding Code (found on portal/announcement)	48902212884890
Type of Funding	<input type="checkbox"/> STEP <input type="checkbox"/> Local Activity <input checked="" type="checkbox"/> Meet-up
Mode of Activity	<input type="checkbox"/> Face-to-Face <input checked="" type="checkbox"/> Hybrid
In case Physical or Hybrid, please state the venue's full location/address	UNDIKNAS University Jl. Bedugul No.39, Sidakarya, Denpasar Selatan, Kota Denpasar, Bali 80224, Indonesia
Name of main organizer/s (IEEE Organizations)	IEEE Indonesia Section
Collaborators within IEEE OUs (Sections/Chapters/SBs)	-
Other Collaborators outside IEEE	UNDIKNAS University
Total number of attendees	69
Total number of attendees who are IEEE members	4

Total number of attendees who are non-IEEE members	65
--	----

Event Summary

- This event is aimed at introducing IEEE, especially IEEE Young Professional, to the students who will graduate this year or in the coming year and also to young professionals who are interested in enhancing their knowledge in the AI applications
- This meet-up provides networking opportunities and expands the professional network of young professionals in the areas of industry, government, and academia
- This event is also aimed to revitalize IEEE Indonesia Section YP AG
- This event is in collaboration with IEEE YP Nanjing Section
- All IEEE Indonesia student branch members as well as other IEEE members will be invited to attend this event with free registration fee
- This event will present a keynote talk and a panel discussion with topic of AI role for young professionals

Event Marketing, Promotion Strategy and Event’s Poster/s

It has been promoted through the website (icscc.undinas.ac.id) and also by mailing list through IEEE Indonesia Section YP Chair.

Program Schedule with speakers

10.00 – 10.45 – Keynote Speaker, Saaveethya Sivakumar (IEEE MGA Rep, YP)
 10.45 – 11.00 – Coffee break
 11.00 – 11.15 – Welcoming address, photo session
 11.15 – 12.00 – Panel discussion: The Role of AI for Young Professionals
 12.00 – 12.30 – Q&A and closing
 12.30 – 14.00 – Lunch

Panelists:

1. Dr. Erick Purwanto (Teaching Fellow, Xi’an Jiaotong-Liverpool University, China)
2. Dr. I Ketut Agung Enriko (Senior Manager Research & Innovation Management, PT TELKOM, Indonesia)
3. Dr. Hugeng (Head of Cooperation and International Relations Office, Universitas Tarumanagara, Indonesia)

4. Mr. Ida Bagus Surya Respati (Marketing Strategy Manager PT. PLN (Persero) UID Bali, Indonesia)

List of Attendees (scanned document or table from registration form if done online)

Attached.

Feedback Summary & Testimonials (if any)

No feedback summary at this moment.

Challenges/Difficulties (if any)

There were no major challenges or difficulties because the event was arranged in a hybrid mode, so the panelists and participants from everywhere could attend it.

Budget

Please ensure that all sources of income and expenses for your event are included in the same currency as indicated on the receipts. Please note that we **do not reimburse expenses related to travel, accommodation, visa applications, gifts (including IEEE membership gift), honorariums, cash prizes, or card gifts.**

Additionally, **please provide a hyperlink to each receipt in the below template.** This will allow us to easily view each item individually and make comparisons. One method to accomplish this is to upload the receipts to Google Drive and generate a link for each receipt, which should be inserted into the table below. Please adjust the viewing settings so that **anyone with the link can view** the receipts.

Lastly, it is **mandatory to attach all receipts in a single PDF file to this report in a single file together.** This will ensure that we have a copy of the receipts for our records.

Young Professionals Funding Budget Template

Currency used in the Expense Report (e.g. USD, EUR, INR, MYR, etc.)	IDR
If not in USD: Exchange Rate to USD (\$) (e.g. INR to USD = 0.0121)*	IDR to USD = 0.00006

Actual Income					
Source of Income Name		Total Income from Each Source			
1	IEEE YP Funding	IDR 16,360,000			
2					
3					
4					
5					
6					
Total Amount Before Currency Conversion		IDR 16,360,000			
Total Amount After Currency Conversion (if not in USD)		USD 981.6			
Actual Expenses					
Item Number	Item	Quantity	Unit Price	Total Price	<i>Please provide a hyperlink to the receipt*</i>
1	Goodie bags	80	IDR 17,000	IDR 1,360,000	
2	Lunch and coffee break	100	IDR 115,000	IDR 1,150,000	
3	Room management fee	1	IDR 3,500,000	IDR 3,500,000	
4					
5					
6					
7					
8					
9					
10					
11					
12					
Total Expected Expenses Before Currency Conversion		IDR 16,360,000			
Total Expected Expenses After Currency Conversion (if not in USD)		USD 981.6			

Notes:

- *If you are using currency other than USD, please specify and fill in the exchange rate (e.g. INR to USD: 0.013). Using your currency to USD rate and not the other way around.
- Please add in more item rows if necessary
- Income and expenses should reflect on each other. Please indicate all sources of income that will at least cover all expenses and indicate any surplus.

- In the expenses report, please take note on the following formula and make sure the numbers are marching:

$$\text{IEEE YP Funding Amount} + \text{Other income} = \text{Total Expenses} + \text{Balance/Surplus (if any)}$$

Claim Amount

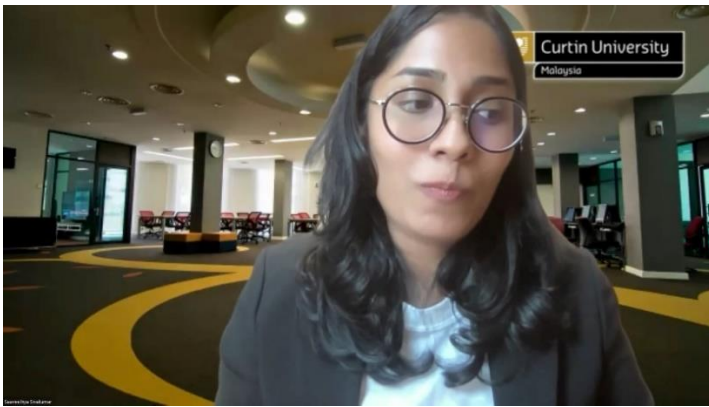

USD 981.6

What section/society would the funds be transferred to if the application is approved?

- IEEE Indonesia Section

IEEE vTools Event Report

https://events.vtools.ieee.org/tego_event/manage/431002#13

Signature of Submitter (e-signature is allowed)

A handwritten signature in cursive script, appearing to read "Samantha", is written over a solid horizontal line. The signature is centered above the line and includes a small dash at the end.

Reminder:

Please attach all receipts in the following page and upload the combined file as **PDF only**.

For more details and enquiries, please contact IEEE Young Professionals Committee at:
ypfunding@ieee.org

Receipts

<If the receipts are in picture format, **please paste them below** in same order as mentioned in the table. If they are in pdf format, please either convert the pdf receipt to picture and paste here or attach the pdf receipts to his report, all in pdf file, combined in a single file. You can use [ilovepdf.com](https://www.ilovepdf.com) as an example to combine different pdf files>

<We had to do a thorough explanation as we've noticed recurring errors during submission. ^^>

Please see next pages for receipts

IEEE Young Professional Meet-Up Event

HOME / IEEE Young Professional Meet-Up Event

We are honored to organize IEEE Young Professional Meet-Up Event in conjunction with 10th ICSCC 2024.

This event is aimed at introducing IEEE, especially IEEE Young Professional, to the students who will graduate this year or in the coming year and also to young professionals who are interested in enhancing their knowledge in the AI applications.

This meet-up provides networking opportunities and expands the professional network of young professionals in the areas of industry, government, and academia.

Agenda:

26 July 2024 (Time GMT + 8)

10.00 – 10.45 – Keynote Speaker, Saaveethya Sivakumar (IEEE MGA Rep, YP)

10.45 – 11.00 – Coffee break

11.00 – 11.15 – Welcoming address, photo session

11.15 – 12.00 – Panel discussion: **The Role of AI for Young Professionals**

12.00 – 12.30 – Q&A and closing

12.30 – 14.00 – Lunch

Panelists

Dr. Erick Purwanto (Department of Computing, Xi'an Jiaotong – Liverpool University, China)

Dr. Erick Purwanto is a Teaching Fellow in the Computing Department and a Senior Fellow of the UK Higher Education Academy. He obtained his PhD from the National University of Singapore. His research interests include Machine Learning, Technology-Enhanced Learning, and Multimodal Analytics. He has won multiple awards, including recent Global Impact Grants 2024.

Dr. I Ketut Agung Enriko (Senior Manager Research & Innovation Management, PT TELKOM, Indonesia)

Education: Dr (Universitas Indonesia), M.Sc (NTU, Singapore), ST (Telkom School of Engineering)

Intellectual Property: MyKardio

Dr. Hugeng (Head of Cooperation and International Relations Office, Universitas Tarumanagara, Indonesia)

Hugeng is an Associate Professor at Electrical Engineering Department, Universitas Tarumanagara, Jakarta, Indonesia. His current research interest includes audio signal processing, Internet of Things, image processing, speech recognition, deep learning, and machine learning. He was born in Lubuk Linggau, Indonesia. He worked as research assistant at RWTH Aachen University, Germany in 2001, and at TU Kaiserslautern, Germany in 2002-2005. He achieved his Ph.D. degree in Electrical Engineering from Universitas Indonesia in 2011. Dr. Hugeng has been actively involved in IEEE activities and since September 2016, he is appointed in a key position in IEEE SPS Indonesia Chapter as Technical Activities Coordinator. He serves currently as a Review Editor for IEEE Access. He is a senior member of IEEE and served as general chair of the 2017 IEEE ICON-SONICS. Since 2018, he is appointed as chairman of the Tarumanagara International Conference on the Applications of Technology and Engineering (TICATE) where its Proceedings is indexed by Scopus.com. He can be contacted at email: hugeng@ft.untar.ac.id.

Mr Ida Bagus Surya Respati (Marketing Strategy Manager PT. PLN (Persero) UID Bali, Indonesia)

Several years of experience in State Owned Company in Electricity. I'm able to communicate with people effectively. Highly motivated, energetic, flexible, hard working and committed person who is eager to learn new things from others as well as my own mistakes for every work I undertake. Well-disciplined in maintaining good relationship among co-workers which can help build a great team work. Agile and quick to adapt with changes. Have a strong leadership, good teamwork management.

My Field of Experience is in Marketing and Customer Service Relationship and also Occupational Safety and Health Expert. Handling Customer Complain, Achieving Target of Sales and New Customer of Electrical Connection, Promotion New Product and Application. Maintaining Customer with Customer
