Invitation Letter

Jakarta, July 31th 2026

Attachment : 1 Term of Reference
Subject : Invitation as Speaker at Young Planner Talks

To:

Nadia Ayu Rahma Lestari, S.T., M.Sc.

Head of Department of Urban Planning and Real Estate
Tarumanagara University

On behalf of the Organizing Committee of the Asian-Pacific Planning Societies 2026 International Conference (ICAPPS 2026), we are pleased to extend our warm invitation to you to serve as a **Speaker on Young Planner Talks**, a side event at ICAPPS 2026, which is planned to be held on 19 August 2026 at Taman Bendera Pusaka, Jakarta.

ICAPPS 2026 will be hosted by **Ikatan Ahli Perencana Wilayah dan Kota Indonesia (IAP)**, the official professional association of urban and regional planners in Indonesia. Established in 1971, IAP Indonesia serves as a national professional platform for planners and actively contributes to sustainable, inclusive, and spatially guided development in Indonesia. Through its national network and international engagement, IAP Indonesia continues to support professional planning practice, policy development, capacity building, and global collaboration.

The Young Planner Talks will carry the main theme:

“Cities Through Young Eyes: Stories from The Next Generation of Planners”

As an international forum, ICAPPS 2026 aims to bring together urban planners, academics, policymakers, city leaders, professionals, and urban development stakeholders from across the Asia-Pacific region. As part of the ICAPPS 2026 Side Event, Young Planner Talks aims to create a relaxed and inspiring space where young planners from across Asia-Pacific can share stories, experiences, and reflections on planning practice in their own cities and countries. Unlike a conventional conference session, Young Planner Talks is designed as an informal storytelling forum, encouraging meaningful conversations rather than technical presentations. The conference is expected to involve active participation from planning societies and delegates from several Asia-Pacific countries, including Indonesia, Vietnam, Taiwan, Japan, and Korea, is projected to be attended by approximately 500 planners, academics, professionals, and urban stakeholders.

In this regard, we would be honored to invite you to contribute to the conference under the following details:

Date : Wednesday, August 19th 2026
Time : 14.30 – 18.00 WIB
Venue : Taman Bendera Pusaka, South Jakarta, DKI Jakarta
Format : Panel Discussion

Your expertise and perspective would be highly valuable in enriching the discussion on the future of cities, particularly from the perspective of young planner in relation to global city development, sustainable urban transformation, and the future role of cities in the global economy.

We would be grateful if you could kindly confirm your availability to participate as a speaker at Young Planner Talks ICAPPS 2026. Please find attached the Term of Reference for detail information and theme regarding the session.

Thank you very much for your kind attention and consideration. We sincerely hope to welcome you as one of the distinguished speakers at ICAPPS 2026 in Jakarta.

On behalf of the ICAPPS 2026 Organizing Committee,

ICAPPS
2026
